

Jamie Dietzler

Project Manager

Jamie began his electrical career in April of 1997 and joined Bergstrom Electric, Inc. in July of 2001 as an Apprentice Electrician. Since receiving his Journeyman's license in August, 2001, he has held the following positions: Project Foreman, Safety Committee member and is currently a Project Manager for Bergstrom Electric, Inc. working out of the Grand Forks office.

During his electrical career, Jamie has been responsible for numerous projects that have included, but are not limited to: schools, residential, retail stores, restaurants, housing complexes, warehouses, office buildings, thermal imaging and lighting retrofits, gas stations, industrial/agricultural installations and sports field lighting.

As a Project Manager for Bergstrom Electric, Inc., Jamie is responsible for both the supervision and management of foreman/supervisors, journeymen and apprentices. Some of his other duties include: estimating, commercial/residential project design build, project negotiations and thermal imaging.
