

PAUL V. SODERQUIST
Project Manager

Mr. Soderquist began his electrical career as an apprentice in 1974 and joined the U.S. Air Force in 1976 as a communication cable splicer. He was hired by Bergstrom Electric, Inc. in October of 1999 as a Foreman. Paul has held the following positions during his electrical career: apprentice, journeyman, foreman, project superintendent, branch manager and is currently a Project Manager for Bergstrom Electric, Inc.

During his electrical career, Mr. Soderquist has been responsible for numerous projects that have included, but are not limited to: dormitories, schools, banks, industrial plants, office complexes, shopping malls, retail stores, food service complexes, primary/housing complexes, hospitals, condominiums, clinics, restaurants, street lighting, government and security projects.

As a Project Manager for Bergstrom Electric, Inc., Mr. Soderquist is responsible for both the supervision and management of foreman/supervisors, journeymen and apprentices. Some of his other duties include: estimating, service contract negotiating, commercial/residential project design build, and project negotiations.
