

Russell Penn

Branch Manager – Thief River Falls Office

Russ joined Bergstrom Electric, Inc. as a Project Manager in October, 1996. He began his electrical career in 1972 as an Apprentice Electrician. Since receiving his Journeyman's license in 1976, he has held the following positions: Service Driver, Foreman/Supervisor, Purchasing Agent, Pre-Fab Manager, Service Manager, Project Coordinator, Education Director, Estimator and is currently

Branch Manager of the Thief River Falls Branch Office and a Project Manager for Bergstrom Electric, Inc.

During his electrical career, Russ has been responsible for numerous projects that have included, but are not limited to: hotel/destination center, county jail, sports arenas, strip malls, gas stations, multi-story buildings, residential, banks, industrial processing plants, grocery stores, schools, nursing homes, churches, event/convention center, casinos, water park, lighting retrofits, apartment complexes, dike pumping stations, street lighting, lift stations and hospitals.

As a Branch/Project Manager for Bergstrom Electric, Inc., Russ is responsible for both the supervision and management of foreman/supervisors, journeymen, apprentices and the Thief River Falls service department. Some of his other duties include: estimating; project and service contract negotiating; project design build; advertising and new business development.
