

STEVE M. WASVICK
Project Manager/Sales/Service

Mr. Wasvick joined Bergstrom Electric, Inc. in August, 2001 as a Project Manager/Sales. He began his electrical career as an apprentice electrician in 1988, receiving his Journeyman's license in 1992. Prior to his current position with Bergstrom Electric, Inc., Steve held the following positions: Service Technician, Job Foreman, Project Manager and Branch Manager.

During his electrical career, Mr. Wasvick has been responsible for numerous projects that have included: correctional facility; sports arenas; clinics; hospitals; schools; apartment complexes; banks; industrial plants; restaurants; office complexes; car dealerships; nursing homes and hotels to mention a few.

In his position with Bergstrom Electric, Inc., Mr. Wasvick is responsible for both the supervision and management of foreman, journeymen and apprentices. Some of Steve's other duties include: estimating, service contract negotiating, residential/commercial design build, project negotiations, radio advertising (including live radio shows) and new business development.
