

Vernon Thingvold Project Manager

Vern joined Bergstrom Electric, Inc. in August, 1992 as a Project Manager. He began his electrical career after graduating from electrical trade school in May, 1973. Since receiving his Journeyman's license in June, 1976, he has held the following positions: Foreman/Supervisor; Estimator, part owner of an electrical contracting firm and is currently a Project Manager for Bergstrom Electric, Inc..

During his electrical career, Vern has been responsible for numerous projects that have included, but are not limited to: dormitories, schools, banks, industrial plants, office complexes, shopping malls, retail stores, boiler plants, food service complexes, primary/secondary distribution installations, street lighting, nursing homes, apartment/housing complexes, hazardous installations, overhead line work, government and security projects.

As a Project Manager for Bergstrom Electric, Inc., Vern is responsible for both the supervision and management of foremen/supervisors, journeymen and apprentices. Some of his other duties include: estimating, service contract negotiating, commercial/residential project design build and project negotiations.
