

VERNON W. THINGVOLD

Project Manager

Mr. Thingvold joined Bergstrom Electric, Inc. in August, 1992 as a Project Manager. He began his electrical career after graduating from electrical trade school in May, 1973. Since receiving his Journeymen's license in June, 1976, he has held the following positions: Foreman/Supervisor; Estimator; part-owner of an electrical contracting firm and is currently a Project Manager for Bergstrom Electric, Inc.

During his electrical career, Mr. Thingvold has been responsible for numerous projects that have included, but are not limited to: dormitories; schools; banks; industrial plants; office complexes; shopping malls; retail stores; boiler plants; food service complexes; primary/secondary distribution installations; street lighting; nursing homes; apartment/housing complexes; hazardous installations; overhead line work; government and security projects.

As a Project Manager for Bergstrom Electric, Inc., Mr. Thingvold is responsible for both the supervision and management of foreman/supervisors, journeymen and apprentices. Some of Vern's other duties include: estimating, service contract negotiating, commercial/residential project design/build and project negotiations.
