To Whom it May Concern

Re: Bergstrom Electric
Devils Lake, ND 58301

Dear Sir/Madam:

We are please to inform you that Kraus-Anderson Construction Company North Division has worked with Bergstrom Electric on numerous occasions.

Bergstrom Electric has helped complete design build projects as well as providing subcontractor services. The projects Kraus-Anderson and Bergstrom Electric have completed have met all of the owner's expectation. Our relationship has been solid and growing with each successfully completed project.

The professionalism of their field and office personnel has installed confidence in our office and we would be very comfortable working with them in the future. Bergstrom Electric has completed all projects on time, within budget and to our clients needs. If there was ever a need for additional manpower required Bergstrom was very capable and willing to provide additional people to the site in order to keep the project on schedule. Kraus-Anderson Construction looks forward to future projects with Bergstrom Electric.

If you have any questions please do not hesitate to contact our office.

Very truly yours,

KRAUS-ANDERSON® CONSTRUCTION COMPANY
