RE: Ojibwa Millennium School  
Belcourt, North Dakota  
J05-00-073.01

Dear Mr. Schmidt:

This correspondence is to offer our commendations to Bergstrom Electric, Inc. for their performance during the completion of the Ojibwa Millennium School near Belcourt, North Dakota. As we assisted the Owner in managing the project, we appreciated your firm's efforts in constructing quality electrical systems, responsiveness to issues that arose, dedication of manpower in several incidences to boost completion efforts and the general professionalism of your staff which aided in the completion of a quality project.

In addition, we acknowledge the willingness of your staff to work with and communicate with the other trades and project management to achieve increased cooperative efforts working towards the finished goal – a quality educational facility for the youth of the Belcourt area.

We look forward to working with your firm on future endeavors.

Sincerely,  
INTERSTATE ENGINEERING, INC.
