**Dear Russell:**

**I am sending this note to express my gratitude to you and your employees for the excellent work you did at the Canad Inn Destination Center. Your crews worked very diligently on this large and complex project. Your staff always approached issues that arose with a positive "can do" attitude. Your skilled workers demonstrated a high degree of professionalism and great work ethic. I know that if it wasn't for the extra effort by some of your key personnel, the timely and successful opening of the Hotel would not have been achieved. Your company's work behind the scenes was well beyond the line of duty.**

**JLG Architects has worked with Bergstrom Electric on many projects and your performance is always excellent. We are encouraged at the beginning of a project when we know that Bergstrom Electric will be the electrical contractors.**

**Respectfully yours,  
JLG Architects,**
